SUMMARY

I am a dedicated MCA student with a strong foundation in computer applications and programming. My educational background in commerce and technology equips me with unique insights in the field. I take pride in my ability to develop diverse projects, demonstrating my skills in programming languages and frameworks. I am keen on leveraging my training to contribute significantly to future employers.

EDUCATION

Post Graduation in MCA

Shri Vaishnav Vidhyapeeth Vishwavidyalaya

📅 07/2023 - 06/2025 📍 Indore

Under Graduation in B.Com + Computer Application

Rajiv Gandhi PG Govt. College

📅 04/2020 - 03/2023 📍 Mandsaur

Diploma in Computer Application (DCA)

Makhanlal Chaturvedi National University

📅 04/2020 - 03/2021

PROJECTS

News Website (ASP.NET, C#, SQL)

Developed a news portal to publish, manage, and categorize news articles with secure user authentication.

Implemented database-driven features for article storage and user profile management.

E-Book Rental Platform (ASP.NET, C#, SQL)

Built an e-commerce-style platform for renting e-books with payment gateway integration.

Designed an intuitive interface and used SQL for backend data management.

Text-to-Speech Converter (HTML, CSS, JavaScript)

Developed a browser-based application with text-to-speech functionality to enhance accessibility.

Improved the user experience and interface, focusing on better accessibility for visually impaired users.

Netflix Clone (HTML, CSS, JavaScript)

Designed a responsive, front-end replica of Netflix focusing on layout and interactivity.

Optimized for performance across various devices.
